The REASON for the PRONOUNCED SUCCESS

of all Mehl sales is due simply to a sincere desire and diligent effort on my part to please and serve properly the buyer and the seller.

I court reasonable criticism just as I court praise, if deserved.

The SUCCESS from the Sellers point of view is more than amply assured by the fact of my possession of the largest list of coin buyers of any market,—obtained through my extensive advertising covering an expenditure of nearly forty thousand dollars in actual cash in the past ten years alone.

The BUYER is assured of "success" with his purchases at this and all other Mehl Sales by my simple assurance of ABSOLUTE SATISFACTION—everything that the word satisfaction stands for. I am more than ready and willing to abide by your honest opinion as to conditions,—what is right or wrong. Your opinion is final here. And on this basis I invite your bids for THIS sale. Kindly send them in promptly

TERMS OF SALE

PLEASE READ BEFORE BIDDING.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer $1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in catalogue. This guarantee holds good indefinitely.

NOTICE TO NEW BIDDERS.

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE.

TERMS: The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids or send satisfactory reference, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

Remittance should be made promptly in any way most convenient to yourself.

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, CASH WITH ORDER. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

PLEASE SEND IN YOUR BIDS EARLY. All bids must be in on or before Wednesday, March 10, 1920.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

A "Clean-Cut Transaction"

Claims for satisfactory results, ability, etc., are easier made than substantiated.

Here is an incident—just occured—that is well worth the thought and consideration of every collector who may consider selling his collection—now or later.

The McKinley Memorial Association, with which the Governor and other most prominent men of Ohio are connected, decided to sell the remainder of the McKinley Memorial gold dollars, (amounting to approximately $30,000.00 retail value). Negotiations between the Association and myself were entered into by wire and within less than twenty-four hours I purchaesd the entire lot for spot cash.

THE PRESIDENT'S LETTER

"Mr. B. Max Mehl,

"My Dear Mr. Mehl:

"I have received from Mr. C. P. Wilson, President of The Niles Trust Company, statement in regard to the McKinley gold dollars and credit to our account of the payment of the draft. THIS IS A CLEAN-CUT TRANSACTION.

"There was a lot of juggling going on between two other parties, and for that reason I was very glad indeed that you secured the coins.

"You now have all these gold coins with the exception of about twenty-five, which I have kept out for my own personal use next Christmas.

"Very truly yours,
"(Signed) J. G. BUTTLER, JR.,
"President."

Write me whenever YOU decide to sell your collection. Whether it amounts to Thirty Dollars or Thirty Thousand Dollars, you are assured of the same "Clean-Cut Transaction."
